

Play hard, party harder

Enviably stylish and epic sound, the Mix for iPhone and iPod brings the house down. Pumping your anthems from specially engineered tweeters and mid-range drivers, this sound system delivers towering volume and perfect clarity from the heart of every party. The XdB bass-enhanced 5.25" side-firing subwoofer packs a heavy punch, pumping thunderous bass to shake the foundations. Let your friends jump in by connecting up to three different sound sources. Join the crowd and still control the playlist with the clip-on remote that can be hooked onto your jeans.

Mix™

Digital Boombox for
iPhone™ and iPod®

(iPhone / iPod not included)

hear what's next™

Shattering volume, perfect clarity and heavyweight bass, the Mix is the ultimate equipment for a night to remember. Let your friends jump in by connecting up to three different sound sources.

hear what's next™

Onboard controls

Control most functions from the unit.

Fierce bass

XdB bass-enhanced side-firing subwoofer and tuned passive radiator deliver formidable bass.

Audio Alignment™

Drivers, enclosure and electronics are balanced for optimum sound.

Music Pause

Automatically pauses music when a call is received on the iPhone.

Universal dock for iPhone and iPod

Recharges while it plays your tunes.

Compatible with iPhone and iPod models

Full mid-range

Two custom-designed drivers push room-filling mids and mid bass.

Interference Free

Unique design is immune to mobile phone interference, eliminating the need to switch to airplane mode.

Crystal-clear high end

Specially engineered horn-loaded polypropylene tweeters designed for smooth, wide dispersion.

7-band graphic equalizer

Multiple EQ modes let you select your sound.

High-contrast LCD

Always know your beat. Track, artist, album and station display.

Digital FM radio

Tune in to clean reception with telescopic antenna and 4 station presets.

Clip-on full-feature remote

Change the sources; control the speakers, playlist and song navigation all from the remote.

Dual AUX IN jacks

Let your friends jump in and connect up to two additional audio players.

Guard for iPhone or iPod

Grab handles

Moves with the party.

AC or battery-powered

Plug in or lose the wires with up to 30 hours of play with 8 D batteries.
