

Music that lets you move

Updated for even greater portability, the new inMotion Classic is the ultimate way for music to move. Leading technology delivers the total experience of sound at every step of the adventure. The rechargeable battery lets you unplug your music, so you can share your playlist in any scene. The versatile handle lets you effortlessly take your sound wherever the party goes, doubling up as a stand so you can kick back. Switch on and tune in with FM radio and 4 station presets delivering crystal-clear reception. Outdoors, indoors, with friends, alone; with the inMotion Classic the world sounds better.

inMotion® Classic

Portable Stereo for iPhone™ and iPod®
with rechargeable battery
